

**@WORK Makelaardij: Trusted  
Real Estate Service in Den Haag  
and Rotterdam**

When people have experts working with them regarding their house needs, they can be sure to make the right choices of which property to sell or buy. @WORK Makelaardij is a result-oriented real estate service company that provides reliable solutions for selling and buying property. The real estate service offers its services to investors and potential homeowners. Their services help clients make proper decisions about the different property options that are present to them. Thus, they help clients post their ads on many other sales websites that attract many visitors, and they present the house of clients perfectly using a unique 3D home restyling presentation & video, among others.

In response to a query about their services, the spokesperson of @WORK Makelaardij commented, "The real estate world offers different options of houses to purchase and sell. By working with expert realtors, you can rest assured you will find your dream home. Our company is recognized for values such as integrity, honesty, and dedication. Wil Jansen is among the leading real estate agents in the area. He is well-experienced, solution-driven, and passionate. He guides and supports clients with various real estate needs.

His credentials include the SVMNIVO diploma o.g.: certification of the professional skills of a registered real estate agent — appraiser immovable property, and Listed in the Krmt register as a real estate agent — appraiser under no. 84071682.

@WORK Makelaardij specializes in buying and selling houses in different locations, such as Den Haag. The company's professionals are always available to help with different real estate needs. Hence, clients can schedule an appointment with their representatives during and outside business hours. Their professionals work with clients as real estate agents and brainstorming partners. As a client-centric real estate agency, they also provide A-to-Z guidance on house viewings. Therefore, those who want to [buy a house in Den Haag](#) can contact them for their services.

The spokesperson added, "Our primary focus is the satisfaction of our clients, so we encourage them to ask as many questions as possible regarding their needs. We are here to better equip you to make the right decision about selling or buying a property.

Our professionals are available to keep you informed about common square-meter prices for the type of house and the neighborhood you prefer. They will also explain to you what is considered a high or low price for the type of house you want to buy.

@WORK Makelaardij helps its clients make a good bid without having to spend too much. In a location like Den Haag, they show clients numerous development areas which are of significant value. Their professionals also employ a comprehensive approach, as they help clients deal with certain real estate challenges. They are always available to attend to clients during and after business hours. For more information about their services, visit their website.
