Design – V8 smartwatch is a circular smartwatch with SIM capability. You might mistake the new V8 smartwatch with the rectangular version of V8 similar to the look of the DZ09. The circular V8 smartwatch has a 1.51" inch LCD Screen, a 240 x 240 pixel resolution. It has 0.3 MP camera on the top front of the smartwatch, with two physical buttons on the side that works as a home button/power button and a return button. The V8 has a TPU Band with stainless steel buckle. It is life waterproof but not ideal for swimming or taking a shower.

Under the Hood – powered by MTK6261D processor, the smartwatch has a 128 MB of memory. It is a smartwatch phone compatible with GSM connectivity. Features include call and message notifications, calorie counter, distance counter, sedentary reminder, sleep monitoring, QQ, Wechat, Facebook. The V8 smartwatch has a 280 mAh polymer battery providing the smartwatch with two days of battery life.
